

CREATING AN ECONOMY THAT SUPPORTS SUPER LONGEVITY

BY ILANA LEA

MONEY BY PINK FLOYD (1973)

Money, get back

I'm all right Jack keep your hands off of my stack

Money, it's a hit

Don't give me that do goody good bullshit

I'm in the high-fidelity first class traveling set

And I think I need a Lear jet

Money, it's a crime

Share it fairly but don't take a slice of my pie

Money, so they say

Is the root of all evil today

But if you ask for a raise it's no surprise that they're

Giving none away, away, away

INTERVIEW WITH JIM STROLE

WHAT IS YOUR EXPERIENCE OF PROSPERITY?

“From an early age I found nothing was impossible, I had no sense of limitation or scarcity.

I always wanted the best in life, nice house, nice clothing, nice cars, great intimacy and relationships and at the same time I didn't feel the drive to get them in order to validate who I am.

I just felt everyone should have it all in being totally alive. I always knew I would create everything I needed.”

WHY ARE YOU NOT AFFECTED?

“ I never had any class consciousness, like I am better than someone or someone is better than me.

I always identified with a big vision of my life and I had a desire to create a world with true peace”.

DO YOU EVER FEEL YOU WON'T GET WHAT YOU WANT?

“No but sometimes, because of the way the world is now, I get the feeling:
where is it going to come from?

In the past, I have felt that things weren't moving fast enough but that is not the case now.

Now I feel an acceleration.”

DO YOU EVER HAVE TO WORK ON YOUR PROSPERITY MIND SET?

“No, but I do take on from others new inspiration in prosperity”

ANY WORDS OF ADVICE?

“Get away from survival. It will kill you.

Get a purpose in your life that is bigger than making money, that will propel you and actually create what you need and want, including money.

Your money will match your purpose. Go big and you will have big.”

“Money comes from
the body”
